

1-What are the most viewed channels on YouTube?

Link:

https://public.tableau.com/views/Book1_16443288902820/most_viewedchannels?:language=en-US&:display_count=n&:origin=viz_share_link

Summary:

As we can see from the link that the channels that have the most viewed YouTube videos are marvel entertainment (801,205,041,574 views), dude perfect (536,238,377,235 views) and Saturday night live (436,774,614,165 views).

Design:

I have used circle bar with blue color to become clear for color blinded people.

2- What are the most countries that have watched YouTube Videos?

Link:

https://public.tableau.com/views/Book1_16443288902820/Dashboard1?:language=en-US&:display_count=n&:origin=viz_share_link

Summary:

From the dashboard in the link above we can see that the most countries that have watched YouTube Videos are Florida, Georgia and California.

Design:

In this dashboard I have used both map chart and a bar chart to make the visualization easy to read, also the color choice is blue to suit people who have color blind.

3-What are the most liked and disliked categories?

Link:

https://public.tableau.com/views/Book1_16443288902820/Dashboard2?:language=en-US&:display_count=n&:origin=viz_share_link

Summary:

From the dashboard in the link above we can see that the most Liked categories are music, entertainment and comedy.

In contrast the most disliked categories are entertainment, music and comedy.

Design:

In this dashboard I have used two bar charts to show the difference between the liked and disliked categories , also the color choice is blue to suit people who have color blind.
